Student Feedback Analysis-2023-24

The college has a structured process for collecting and analyzing feedback from different stakeholders regarding its overall performance. Online feedback is collected from students through feedback forms available on the college's website. These forms contain questionnaires covering various aspects, including curriculum, sports facilities, departmental amenities, and teacher involvement. The feedback and suggestions received are regularly reviewed and discussed with the principal and management to ensure timely corrective actions. Any student concerns or issues raised through the feedback mechanism are addressed promptly, ensuring continuous improvement in the college's services and facilities.

Student: A questionnaire is prepared to obtain feedback from students to find out the status of the college.
